CEMENT TELEGRAPH POLES.
Telegraph poles made of cement, with an iron rod through the center to insure against breakage, are the latest novelties in railway and telegraphic construction.

Officers of the telegraph and operating departments of the Pennsylvania lines and of the Western Union Telegraph Company have inspected poles made of this material in a test yard at Rochester. Manufacturing these poles will form a new industry for the Pittsburgh district.

The Dodging Period

of a woman's life is the name often given to "change of life." Your menses come at long intervals, and grow scantier until they stop. The change lasts three or four years, and causes much pain and suffering, which can, however, be cured, by taking

WINE OF CARDUI

It quickly relieves the pain, nervousness, irritability, miserableness, fainting, dizziness, hot and cold flashes, weakness, tired feeling, etc. Cardui will bring you safely through this "dodging period," and build up your strength for the rest of your life. "EVERYTHING BUT DEATH"

I suffered, writes Virginia Robson, of Easton, Md., "until I took Cardui, which cured me so quickly it surprised my doctor, who didn't know I was taking it."

Facts About Mr. Bryan.

Here are four facts that can hardly be disputed:

1. William J. Bryan is the strongest man in the Democratic party.
 2. He is stronger than he ever was.
 3. He can have the Democratic presidential nomination next year if he wants it.
 4. If the Democratic party cannot elect him it cannot elect anybody.

Thousands Have Kidney trouble and Don't Know it.

How To Find Out.

Fill a bottle or common glass with your water and let it stand twenty-four hours; a sediment or settling indicates an unhealthy condition of the kidneys; if it stains your linen it is evidence of kidney trouble; too frequent desire to pass it or pain in the back is also a convincing proof that the kidneys and bladder are out of order.

What to Do.

There is comfort in the knowledge so often expressed, that Dr. Kilmer's Swamp-Root, the great kidney remedy fulfills every wish in curing rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and scalding pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often during the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. If you need a medicine you should have the best. Sold by druggists in 50c. and \$1. sizes.

You may have a sample bottle of this wonderful discovery and a book that tells more about it, both sent absolutely free by mail. Address Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

Drawing the Line.

A well-known judge on a Virginia circuit was reminded very forcibly the other day of increasing baldness. One of his rural friends, looking at him rather hard, drawled: "It won't be so very long, judge, 'till you'll have to tie a string round your head to tell how far up to wash yer face."

Don't Believe in War.

William Jennings Bryan was the last speaker before the New York Peace Congress on last Thursday night. He said:

"War comes from misunderstandings. At the finish both parties will tell you that it was a defensive war. When they will submit to having a thorough understanding of their grievances, war can be avoided."

"I believe one of the subjects of this convention is to cultivate peace and dispel the idea that man must die in the battlefield to be a patriot. And this convention will not do its duty unless it impresses upon the world the idea that it is as much a man's duty to live for his country as it is to die for it."

"I expect to see the world loved into peace. Love is the great force. Don't tell me that to secure peace you must build great armies and navies. I want to see peace by love and not by force."

He Gets Good Pay.

John Hays Hammond, the mining engineer of New York, receives a salary aggregating \$800,000 a year, which is more than any other man ever received for his personal services. Men make millions on investments or by manipulations of speculations, but Hammond is the only man in the world who is paid so nearly a million dollars a year for professional advice.

Hammond is the greatest soldier of fortune of modern times, perhaps of all times, and was the model from which Richard Harding Davis drew his hero in "Soldier of Fortune." He was born in San Francisco fifty-two years ago, and graduated from the Sheffield Scientific School of Yale. During his boyhood in California he heard and dreamed of nothing but gold, for the western coast was gold mad during this period.

HAPPY WOMEN PRAISE PE-RU-NA

It Is Works, Not Words, That Has Made Pe-ru-na Famous Throughout the Land.

The miss and the matron alike praise Peruna. Girls and women have all discovered the value of Peruna. The Miss and Mrs. have been fit, each in her own peculiar way, and have found relief by taking Peruna.

Fair girls and beautiful women, frail daughters and ailing mothers everywhere have taken Peruna and know its value in the relief of ailments peculiar to their sex. From the grandmother to the girl babe the gentler sex are under numerous obligations to Peruna.

All this being true and the woman does not hesitate to tell it, her words win the confidence of other women, and thus the fame of Peruna spreads from household to household, until millions of homes acknowledge Peruna as their favorite and reliable family medicine.

Peruna is good for many minor ills. It can be relied upon to mitigate the many disagreeable effects of colds and irregularities so common among women. All the ailments of a catarrhal nature belong within the scope of Peruna's remedial action.

Peruna cured me in a very short time.

MRS. SOPHIA CALDWELL

Peruna has made me a well and happy girl.

MISS ANNIE HENDREN

Miss Annie Hendren, Rocklyn, Wash., writes:

"I feel better than I have for over four years. I have taken several bottles of Peruna and one bottle of Manalin. I can now do all of my work in the house, milk the cows, take care of the milk, and so forth."

"I think Peruna is the most wonderful medicine. I believe I would be in bed to-day if I had not written to you for advice. I had taken all kinds of medicine, but none did me any good. Peruna has made me a well and happy girl. I can never say too much for Peruna."

"I suffered with female troubles for thirteen years, and tried the best doctors in Louisville, Ky., without relief. I spent thousands of dollars at the Springs. The doctors desired that I have an operation performed to remove my ovaries, which I would not consent to. I saw an advertisement of your Peruna and bought one bottle, and before I had taken it all I could get out of bed and walk about. After taking three bottles I was as well and hearty as ever. I gained in flesh from one hundred and eighteen to one hundred and eighty-six pounds. If it had not been for your great and wonderful medicine I would now be in my grave. I would advise all women sufferers to try it. I would not be without it for the world."—Anna Munden, Hollygrove, Ark.

"I was troubled with very serious pelvic weakness, which exhausted me so that I feared I would lose my mind. I suffered agony with my back, the pain extending down my left leg. The pain was so severe that I would have welcomed death as a relief. Peruna cured me of this trouble, no wonder I recommend it so highly. It will soon be two years since I found relief from the pain and not a sign of it has returned. I am glad that there is a way in which I can speak of this, as many a sufferer may read my testimonial, and not only read, but believe."—Mrs. Wm. Henderson, Craik, N. W. T., Can.

"I feel it my duty to write and tell you of the good Peruna has done me. I was subject to female weakness. For six years I suffered more or less. We consulted various doctors, who gave me relief, but no cure. I have suffered a great deal, and my husband had very large bills to pay."

"In my despair I decided to try Peruna, and the first bottle taken according to your directions gave me relief. I have had no backset since then. Since we have used Peruna, a doctor has seldom been in our house."—Mrs. Martha Fradrich, Central Park, L. I., N. Y.
